PRESERVATION WORKSHOPS**

HISTORIC PRESERVATION

Historic Windows

Speaker: Frank Welch of Welch Glass

Thursday, Feb 8, 2018 6 pm - 7 pm

**2nd Floor Conference Room, City of Bardstown
Education Complex (COBEC), 219 E Muir St.**

Frank Welch of Welch Glass will lead a workshop on wood repair, reglazing, maintenance and longevity of historic wood windows. Attendees will also have an opportunity to meet with City of Bardstown Preservation Coordinator RaShae Jennings and learn about the Certificate of Appropriateness (COA) application process and Historic Review Board rules and regulations. Pizza and drinks provided.

Insulation of Historic Homes and Historic Wood Floor Repair

**ALL WORKSHOPS ARE
FREE AND OPEN TO
EVERYONE!**

Speakers: Keith West and Tim Rountree

Thursday, Mar 1, 2018 6 pm - 7:30 pm

**2nd Floor Conference Room, City of Bardstown
Education Complex (COBEC), 219 E Muir St.**

Keith West will be discussing how to work with historic millwork, woodwork, and trim in historic homes, as well as how to prep and paint historic structures. Mr. West will also be discussing techniques to insulate historic homes. Tim Rountree will also present on the most effective way to preserve and repair your historic hardwood floors.

Historic Landscaping

Speaker: Robbie Smith

Thursday May 10, 2018 6 pm - 7 pm

**2nd Floor Conference Room, City of Bardstown
Education Complex (COBEC), 219 E Muir St.**

Robbie Smith will present a variety of historic plants and heirloom flowers that would have been available in the late 1800s and early 1900s. This will allow individuals to landscape their homes with plants that would have been available during that time period. He will also discuss plants that may be more bug and disease resistant that are part of the same family of plants during that era.
